Pacific Coast Archaeological Society Quarterly

The Pacific Coast Archaeological Society Quarterly is a publication of the Pacific Coast Archaeological Society (PCAS), which was organized in 1961. PCAS is an avocational group formed to study and to preserve the anthropological and archaeological history of the original inhabitants of Orange County, California, and adjacent areas.

The Publications Committee invites the submittal of original contributions dealing with the history and prehistory of the area. Although PCAS is especially interested in reports which shed further light on the early inhabitants of Orange County, it is always interested in reports on the wider Pacific Coast region.

Information about subscriptions to the Pacific Coast Archaeological Society Quarterly and the PCAS Newsletter is available online at www.pcas.org. Back issues of the Pacific Coast Archaeological Society Quarterly are available. An index to Volumes 1 through 40 is available as Volume 40, Number 3 & 4. This searchable index is online at www.pcas.org. Three Occasional Papers, on Catalina Island, Mexican Majolica, and the Peralta Adobe, have also been published by PCAS.
